On the first line needs of the SES
due to the tense foreign policy situation

The State Emergency Service of Ukraine expresses its high respect and, given the security situation around our State, is forced to make such a request.

Given the real risk of large-scale emergencies of various character, which will threaten civilian population of Ukraine, the SES has prepared indicative lists of property, equipment and materials it will need immediately (attached herewith).

The SES of Ukraine kindly ask all partner countries and international organizations to consider the stated needs and find the capacity to meet them as soon as possible.

Contact persons — the Chief on duty of the SES for international monitoring (English speaker, round the clock), phone +380442023279, e-mail siis@dsns.gov.ua and the Head of European Integration & International Cooperation Directorate Olena Bykova, phone +380442023059, e-mail bykova@dsns.gov.ua.

The State Emergency Service of Ukraine avails itself this opportunity to renew its assurances of its highest consideration.
