

**INFORMATION**  
**existing first line needs of the SES due to the tense foreign policy situation**

№	Direction	List of required property/equipment and services (type and quantity)
1	<b>Motor vehicles and special equipment</b>	1. Truck crane with a capacity of at least 35 tons - 10 units; 2. Crawler bulldozer (type Caterpillar D10) - 10 units; 3. Pneumatic wheel excavator (type JCB 4CX) - 10 units; 4. Truck tractor with trawl with a permissible weight of the road train up to 100 tons - 10 units; 5. All-wheel drive truck with a capacity of at least 20 tons - 10 units; 6. 4x4 Pickup (for 4 - 5 people and equipment) - 70 units; 7. 4x4 off-road vehicle for 6-7 people and equipment (such as Volkswagen Crafter DC) - 30 units; 8. Mechanical demining machine with remote control (type MV-10, Minewolf or Bazena) - 6 units; 9. Special machine for radiation and chemical reconnaissance - 31 units; 10. Special laboratory control machine - 11 units; 11. Special decontamination machine - 32 units; 12. Container diving complex - 5 units; 13. Special emergency diving stations of heavy type on the basis of trucks and trucks with a wheel formula 4x4 - 5 units; 14. Special emergency diving stations of light type on the basis of lorries with wheel formula 4x2, 4x4 - 15 units; 15. Inflatable boat with engine (for 5-6 people) - 760 units.
2	<b>Weapons ammunition, special tools and equipment</b>	1. Means of searching for explosive objects at a depth of 0.6 m - 107 units; 2. Means of searching for explosive objects at a depth of 3 m - 80 units; 3. Means of searching for explosive objects at a depth of 6 m - 80 units; 4. Underwater metal detector - 11 units; 5. Compressor with a working pressure of 300 bar with a set of spare parts for filling cylinders with compressed air - 400 units; 6. The motor-pump fire (with productivity not less than 2000 l/min - 30 units; 7. Thermal imager for firefighters - 30 units; 8. Diesel electric generator with cable network (power not less than 400 kW) - 50 units. 9. Fire hoses pressure head Ø 32 mm type T - 10 000 m; 10. Fire hoses pressure head Ø 51 mm type T - 70 000 m; 11. Fire hoses pressure head Ø 77 mm type T - 70 000 m; 12. Fire barrels - 1000 units; 13. Mobile means of indirect heating for space heating on liquid fuel - 30 units. 14. Pumping stations with a capacity of at least 6000 l/min. with a set of sleeves - 100 units; 15. Motor pumps with a capacity of at least 600 l/min. with a set of sleeves - 100 units; 16. Filter stations with a capacity of at least 10,000 liters. per day, with tanks for storage of clean and polluted water and consumables and reagents — 80 sets. 17. Light mast - 30 units diesel generator (power 100-150 kW) - 20 units; 18. diesel electric generator (power 100-150 kW) - 20 units;
3	<b>Infrastructure, construction and</b>	1. Construction of the logistics center MRC SHR SES - 1 unit. (at the address: Kyiv region, Obukhiv district, Kozyn village)

	<b>repair work, temporary structures</b>	<p>2. Field camp with autonomous livelihood to accommodate 250 - 300 people in vehicles for transportation - 55 units;</p> <p>3. Tank trucks for drinking water supply - 25 units.</p>
4	<b>Equipment and personal protection means</b>	<p>1. Body armor (V class of protection) - 4000 units;</p> <p>2. Body armor (I A protection class) - 1000 units;</p> <p>3. Explosion-proof suit (type EOD - 9) - 20 units;</p> <p>4. Breathing apparatus with compressed air 300 bar - 4000 units;</p> <p>5. Individual dosimeters – 31,000 units;</p> <p>6. Filtering gas masks with a combined filter - 54,000 units;</p> <p>7. Chemical protection suits (light type) - 70 000 pieces;</p> <p>8. Special protective clothing for firefighters with equipment - 6400 sets;</p> <p>9. Special shoes for firefighters - 10,000 pairs;</p> <p>10. Firefighter's helmet - 5300 units.</p> <p>11. Firefighter's gloves - 11,200 pairs;</p> <p>12. Protective gloves for the rescuer - 22,000 pairs;</p> <p>13. Firefighter's balaclavas - 22,000 units.</p> <p>14. diving wetsuit (dry type) - 60 units;</p> <p>15. diving wetsuit (wet type) - 60 units;</p> <p>16. diving equipment with open breathing scheme type - 60 sets;</p> <p>17. hose diving equipment - 5 sets; Kirby Morgan type - 5 sets.</p>
5.	<b>Communication equipment</b>	<p>1. VHF car radio with a capacity of 50 Watt (with digital repeater) - 73 units;</p> <p>2. Portable VHF radio (with backup batteries) - 173 units;</p> <p>3. Analog-digital repeater type Motorola SLR5500 - 221 sets;</p> <p>4. Analog-digital base station type Motorola DM4601e - 1,306 sets;</p> <p>5. Analog-digital car station type Motorola DM4601e - 6,425 sets;</p> <p>6. Analog-digital portable station type Motorola DP4601e - 13,234 sets;</p> <p>7. Stationary professional HF transceiver with an output power of at least 400 Watt - 2 sets;</p> <p>8. Stationary professional HF transceiver with an output power of at least 1000 Watt - 1 set;</p> <p>9. Stationary professional HF transceiver with an output power of at least 100 Watt - 76 sets;</p> <p>10. Stationary (desktop) HF radio station Harris - 3 sets.</p> <p>11. Wireless hydro-acoustic communication with panoramic masks - 30 sets.</p>
6	<b>Medical supplies</b>	<p>1. Medicines: - analgesics - 5,000 packs; - anti-inflammatory - 5,000 packs - antibiotics - 5,000 packs - infusion solutions - 5,000 packs / vials</p> <p>2. Gauze bandages, different sizes, sterile / non-sterile - 50,000 pieces</p> <p>3. Anti-burn hydrogel dressings - 20,000 pieces</p> <p>4. Individual dressing package - 50,000 pieces</p> <p>5. Hemostatic tourniquet (tourniquet type) - 20,000 pieces</p> <p>6. System for intravenous infusions - 5,000 packs</p> <p>7. Bioprotection suits - 10,000 pieces</p> <p>8. Medical latex gloves - 10,000 pairs</p> <p>9. Medical protective mask - 50,000 pieces</p> <p>10. Disinfectants for hand treatment - 50,000 liters</p> <p>11. Disinfectants for surface treatment - 50,000 liters</p> <p>12. Mobile modular complex for arrangement of a mobile medical center - 30 sets.</p>

7	<b>Digital development, digital transformation and digitalization</b>	1. Implementation of the logistics information system for the SES of Ukraine
