EMBASSY OF THE REPUBLIC  
OF ARMENIA

### Note Verbale

No. 089/2021

The Embassy of the Republic of Armenia presents its compliments to the Ministry of Foreign Affairs of the Republic of Lithuania and has the honor to inform that mass COVID-19 vaccination is successfully carried out in the Republic of Armenia and based on the current dynamics in the near future the country may face the shortage of vaccines.

The Government of the Republic of Armenia will appreciate the soonest decision of the esteemed Government of the Republic of Lithuania in allocating a certain amount of vaccines both within the framework of COVAX Facility platform and other cooperation platforms which will contribute to the global efforts of combating the pandemic and making the EU neighbourhood safer.

The Embassy of the Republic of Armenia avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Lithuania the assurances of its highest consideration.
