

EHB-238-22

NOTE VERBALE

The Embassy of Honduras to the Kingdom of Belgium-concurrent to the Republic of Lithuania presents its compliments to the honorable Ministry of Foreign Affairs, on the occasion of referring to the Lithuanian government's act of solidarity with the people of Honduras related to the offer of a batch of 90.000 doses of Pfizer-BioNTech vaccines against COVID-19 for minors between 5 and 11 years old.

In this regard, this Diplomatic Mission wishes to inform that the government of the Republic of Honduras kindly accepts the aforementioned donation and would like to express its gratitude for the support provided in the fight against this global health emergency.

The Embassy of Honduras to the Kingdom of Belgium-concurrent to the Republic of Lithuania takes this opportunity to renew to the Honorable Ministry of Foreign Affairs, the assurances of its highest consideration.

Brussels, April 1st, 2022.

To the honorable
Ministry of Foreign Affairs of the Republic of Lithuania
Vilnius
