Ministry of Health of the Republic  
of Lithuania

**Request for Humanitarian Assistance**

The Embassy of Ukraine in the Republic of Lithuania presents its compliments to the Ministry of Health of the Republic of Lithuania and has the honour to request humanitarian assistance for the needs of the Ukrainian side.

In particular, we would be sincerely grateful for the possibility of providing the following medical supplies and equipment:

1. Disposable syringe, catheter-tip, 50-60 ml, N25 - 1,000 units
2. Portable X-ray unit DRAGON X SPSL-HF-4.0, TXL-PLUS4, with radiation dose measuring device, computed radiography reader and 4 cassettes - 1 unit.
3. Bronchoscope FB-120T - 3 units

The above-mentioned items are urgently needed to support the provision of medical care in Ukraine.

The Embassy would highly appreciate the Ministry's favourable consideration of this request. Should any additional information or clarification be required, the Embassy stands ready to provide it without delay.

The Embassy of Ukraine in the Republic of Lithuania avails itself of this opportunity to renew to the Ministry of Health of the Republic of Lithuania the assurances of its highest consideration.

Sincerely,

Ambassador
