Dear Sir or Madam,

The State Institution “M.M. Amosov National Scientific Center of Cardiovascular Surgery and Hereditary Pathology of the National Academy of Medical Sciences of Ukraine” is a leading scientific, clinical, and educational center in the field of cardiovascular surgery in Ukraine. Each year, more than 10,000 cardiac surgeries and interventional procedures are performed at the Center.

The Center specializes in the treatment of adults and children, including military personnel and pregnant women. In terms of the number, complexity, and outcomes of surgical procedures, the Center ranks among the top five cardiovascular surgery centers in Europe.

We kindly ask you to provide charitable assistance in the form of medical supplies for the treatment of our patients.

We highly appreciate your consideration and support and look forward to establishing mutually beneficial cooperation. We wish you continued success in your charitable endeavors.

Yours faithfully,

**Deputy Director-General,
Corresponding Member of the National Academy
of Medical Sciences of Ukraine,
Professor**
