Dear Minister Linkevičius:

Thank you for your kind offer of April 23 of a donation to the State of Pennsylvania to assist it in managing the Covid-19 pandemic. The Embassy has contacted the Department of State in Washington, which has determined that the State of Pennsylvania would welcome personal protective equipment, and specifically has the following needs: surgical gowns (various sizes), face shields, N95s (FDA or CE approved), gloves, and powered air-purifying respirators (PAPRs). My team has been in touch with the Ministry of Foreign Affairs to discuss the logistics of identifying and transporting your donation, and we understand that a letter accepting your offer is the first step in the process.

We know that the State of Pennsylvania greatly values its relationship with the Republic of Lithuania and that your expression of sympathy at this time will be deeply appreciated.

Sincerely,

A handwritten signature in blue ink, appearing to read 'R. Gilchrist'.
