Executive Director  
International Energy Agency

13 May, 2019 No. (10.5-12)3-697

Dear Executive Director,

On behalf of the Ministry of Energy of the Republic of Lithuania, I have the honour to inform you of our intention to start consultations with the view for Lithuania to accede to the Agreement on an International Energy Program of 18 November 1974.

Lithuania has been a Member of the Organisation for Economic Cooperation and Development since July 2018.

As I have been informed earlier by Your side, the procedures and the financial costs of Lithuania's accession review process may be a subject to considerable preferences, and annual membership fee would approximately amount to 23 000 Eur. Allow me to express my gratitude for such conditions on accession procedures and future membership of Lithuania in the International Energy Agency.

I would be grateful if you could confirm the feasibility and the already expressed conditions to become a member of International Energy Agency. Afterwards we will be sending an official request on behalf of the Government of the Republic of Lithuania.

Yours sincerely,

Minister of Energy

Žygimantas Vaičiūnas
