Dear Egle,

I am really happy about Lithuania's interest in a National Skills Strategy.

Yes, I can confirm that the country's contribution is 70.000 euros. The rest will be funded by the EC.

Best,

Montse

Dear Montserat,

I hope my email finds you well. You are probably informed of the interest for the development of Skills Strategy in Lithuania. Before submitting a letter of confirmation, we would kindly ask you for minor clarification. What exact amount of contribution from Lithuanian side to be indicated in a letter? Is it EUR 70000? Please correct me if I am mistaken.

Looking forward to hearing from you soon –
