The Embassy of the Federal Republic of Germany presents its compliments to the Ministry of Foreign Affairs of the Republic of Lithuania and has the honour to communicate that Lufthansa German Airlines wishes to re-establish its traditional regular services between Frankfurt/M. (Germany) and Vilnius as of April 20th, 2020 in a restricted form. Current planning foresees three weekly services on Mondays, Wednesdays and Fridays, LH 886/LH 887, departing FRA 14:05 and returning from VNO with departure 18:30h.

Assuming that at that moment the current quarantine-related restrictions in Lithuania, including the suspension of commercial air services, would still be in force, the Embassy should be grateful if the Lithuanian side could consider to issue to Lufthansa German Airlines all special permits which may be required.

The Embassy has the further honour to inform that at its Cabinet meeting on April 6th 2020, the German government has not instituted any specific restrictive measures for air travel between Lithuania and Germany. Except transit passengers and some other exempt categories, arriving passengers will however be subject to a 14 days' quarantine requirement beginning April 10th, 2020.

The Embassy should be very grateful for an early indication as to whether a re-establishment of restricted air services between our two countries along this outline is deemed to be in Lithuania's interest.

Meanwhile, the German Embassy avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Lithuania the assurance of its highest consideration.

Vilnius, 7 April 2020

of the Republic of Lithuania
