His Excellency  
Mr. Dainius Kreivys  
Minister of Energy  
Lithuania

Excellency,

It is with great pleasure that I confirm to you that on 1 July 2021 -- in response to my recommendation to the IEA Governing Board on 17 June 2021 that Lithuania's application for IEA membership be favourably considered as Lithuania is now willing and able to meet the requirements of IEA membership -- the Governing Board invited the Government of Lithuania to accede to the Agreement on an International Energy Program (IEP Agreement).

The Government of Lithuania should deposit its Instrument of Accession with the Government of Belgium after it has completed the required steps under relevant domestic legislation and procedures. Please do not hesitate to have your staff contact Ms. Rachael Boyd, Legal Counsel ([rachael.boyd@iea.org](mailto:rachael.boyd@iea.org)), if you have any questions about the final stages of the accession process.

Congratulations to you and your team for reaching this stage of the process. We highly appreciate your continued strong support and look forward to welcoming you formally to the IEA family.

Yours sincerely,

Dr. Fatih Birol
