- 3.2.4. international seaports' border checkpoints:
 - 3.2.4.1. Pilies;
 - 3.2.4.2. Malkų įlankos;
 - 3.2.4.3. Būtingė oil terminal;
 - 3.2.4.4. Molo.

3.3. Border crossing shall be restricted by preventing the entry of foreigners to the Republic of Lithuania. It shall not apply in the case of:

3.3.1. citizens of the European Economic Area, the Swiss Confederation, the United Kingdom of Great Britain and Northern Ireland, the Principality of Andorra, the Principality of Monaco, the Republic of San Marino and the Holy See (Vatican City State) and persons lawfully residing in the countries;

3.3.2. foreigners who hold a document confirming their right to reside in the Republic of Lithuania, or in whose respect the Migration Department under the Ministry of the Interior of the Republic of Lithuania has adopted a decision to issue a document confirming the right to reside in the Republic of Lithuania or has sent a notice to submit, within the set term, the original documents and biometric data required for the decision to issue a document confirming the right to reside in the Republic of Lithuania, and foreigners who are family members (spouses or persons, with whom a registered partnership agreement has been concluded, children (adopted children), including minor children of spouses or persons, with whom a registered partnership agreement has been concluded, parents (adoptive parents) and guardians) of the citizens of the Republic of Lithuania and of the foreigners who hold a document confirming their right to permanent residence in the Republic of Lithuania;

3.3.3. foreigners who hold a national visa of the Republic of Lithuania, or in whose respect the Migration Department under the Ministry of the Interior of the Republic of Lithuania has adopted a decision to issue a national visa;

3.3.4. foreigners lawfully residing in countries that have not been listed in 3.3.1 of this Resolution, and which are included in the EU-level list of third countries, for the residents of which temporary restriction on non-essential travel to the EU should be lifted at external borders, unless that country is on the list of countries affected by COVID-19 (coronavirus infection) approved by the Minister for Health;

3.3.5. persons enjoying immunities and privileges under the Vienna Convention on Diplomatic Relations (1961), the Vienna Convention on Consular Relations (1963) and under other international agreements and legislation of the Republic of Lithuania, their family members and their service personnel, also members of official delegations;

3.3.6. persons serving in the military units of NATO and of NATO countries and their service personnel, also their family members;

3.3.7. crew members, who are employed in Lithuanian companies engaged in international commercial transportation, or who carry out international commercial transportation by all the means of transport, and seafarers;

3.3.8. health professionals who come to the Republic of Lithuania for the provision of health services;

3.3.9. high-performance athletes, specialists of high-performance sports and physical activity, instructors of high-performance sports and physical activity and their family members, referees or other key personnel of competitions, and sports medical personnel, who come to the Republic of Lithuania at the permission of the Minister for Education, Science and Sport of the Republic of Lithuania for the preparation for and participation in high-performance athletic competitions;

3.3.10. artists who come to the Republic of Lithuania at the permission of the Minister for Culture of the Republic of Lithuania for the participation in professional artistic events, and their service personnel;

3.3.11. journalists who come to the Republic of Lithuania at the permission of the Minister for Foreign Affairs of the Republic of Lithuania;

3.3.12. and in other exceptional cases, where foreigners are allowed entry to the Republic of Lithuania on the basis of an individual permission by a minister holding the jurisdiction in the respective realm, and whose entry has been approved by the Government;

3.3.13. persons transiting through the territory of the Republic of Lithuania:

3.3.13.1. on their return to their country of residence;

3.3.13.2. in whose respect a reasoned request has been made by a foreign country;

3.3.13.3. *repealed as of 16-07-2020*

3.3.13.4. those using facilitated transit of persons from the territory of the Russian Federation to Kaliningrad region of the Russian Federation and backwards. This transit of persons shall be carried out only through Kena railway border checkpoint and Kybartai railway border checkpoint under the conditions laid down by the Minister for Foreign affairs of the Republic of Lithuania;

3.3.14. foreigners entering the Republic of Lithuania for the purpose of studies, admitted for studies under a study programme(s) or for doctoral studies in Lithuanian higher education and research institutions that ensure the requirements laid down by the State Commander of National Emergency Operations regarding isolation and COVID-19 (coronavirus infection) tests for foreigners arriving for the purpose of studies;

3.3.15. foreign investors entering the Republic of Lithuania at the permission of the Minister for Economy and Innovation, where there is a confirmation from a public institution under Article 13(4) of the Law of the Republic of Lithuania on Investments regarding foreign investors' plans for investments in the Republic of Lithuania, which are not below the value referred to in Article 13(1)(6);

3.3.16. foreigners entering the Republic of Lithuania for special humanitarian reasons at the permission of the Minister for the Interior of the Republic of Lithuania, where there is a reasoned recommendation by the Minister for Foreign Affairs of the Republic of Lithuania or his authorised person regarding the entry of foreigners to the Republic of Lithuania;

3.3.17. foreigners entering the Republic of Lithuania to attend the funerals of the relatives (parents (adoptive parents), children (adopted children), brothers and sisters of their spouses or of the persons, with whom a registered partnership agreement has been concluded).

3.3.18. foreigners coming to the intelligence authorities of the Republic of Lithuania for purposes related to ensuring national security, at the permission of the Minister for National Defence of the Republic of Lithuania or the Director of the State Security Department of the Republic of Lithuania, respectively;

3.3¹.1. they must comply with the isolation conditions laid down by the State Commander of National Emergency Operations, except for foreigners referred to in paragraphs 3.3.5, 3.3.6, 3.3.13, 3.3.18 of this Resolution;

3.4. Persons who are not subject to the state border crossing restrictions shall cross the state border only at the border crossing points listed in paragraph 3.2 of this Resolution.

4. To establish the following state of national emergency response and mitigation measures:

4.1. economic activity restriction measures:

4.1.1. services shall be provided, trade and activities at leisure and entertainment venues, at catering facilities, restaurants, cafés, bars, nightclubs and other entertainment venues, gambling houses (casinos) and amusement arcades and bingo halls shall be carried out, and commercial and non-commercial cultural, entertainment, sporting events, celebrations (except personal celebrations), fairs, festivals or other organised mass gatherings in public locations of a certain duration at a pre-determined time (hereinafter 'event') shall be organised and held under the conditions laid down by the State Commander of National Emergency Operations for the management of the flow of people, safe physical distance, and other key requirements for public health safety, hygiene, and the provision of persons with necessary personal protective equipment;

4.1.2. events will be organised and held provided organisers of events can ensure an electronic distribution of tickets and/or the registration of spectators/ participants and where they can control spectator/participant access to the venue of the event.

4.2. public and administrative service restriction measures:

4.2.1. in the field of organising and providing education: pre-school, pre-primary, general, non-formal education of children and adults, vocational education and higher education is carried out and education assistance is provided in education establishments and by other education providers, while ensuring the necessary conditions laid down by the State Commander of National Emergency Operations for health safety, hygiene and the provision of persons with necessary personal protective equipment;

4.2.2. in the field of organising activities in social care establishments:

4.2.2.1. visits of persons in residential social service establishments for the elderly and for persons with disabilities, in group living homes, orphanages, child care homes and foster families shall be subject to the requirements laid down by the State Commander of National Emergency Operations for health safety, hygiene and the provision of persons with necessary personal protective equipment;

4.2.2.2. the provision of day care and short-term social care or social welfare services to the elderly in non-residential social service establishments shall be subject to the requirements laid down by the State Commander of National Emergency Operations for public health safety, hygiene and the provision of persons with necessary personal protective equipment;

4.2.2.3. *repealed as of 09-10-2020*

4.2.3. in the field of organising services in medical facilities regardless of their subordination and legal form:

4.2.3.1. ensure management of patient flows, infrastructure and material and human resources;

4.2.3.2. *repealed as of 01-08-2020*

4.2.3.3. the heads of the medical facilities ensure that individual health care services are provided in accordance with the approved plan for routine inpatient and/or routine outpatient individual health care services, prepared in accordance with the requirements established by the Minister for Health and submitted to the National Public Health Centre under the Ministry of Health;

4.2.3.4. medical facilities that are part of the Lithuanian public health system shall process all the patient data related to the delivery of health services, including case summaries, referrals, outcomes of referrals, medical images and their descriptions, only through the Electronic Health

Services and Cooperation Infrastructure Information System, and medical establishments that are not part of the Public health system shall ensure the processing of these data and their traceability through its own information system.

4.2.4. public transport services shall be provided under the conditions laid down by the State Commander of National Emergency Operations for the management of the flow of persons, safe physical distancing, and other key requirements for public health safety, hygiene, and the provision of persons with necessary personal protective equipment.

4.3. The arrangement and execution of long visits in correctional facilities and remand centres shall be restricted.

4.4. State and municipal institutions and bodies and state and municipal enterprises shall organise their work and provide customer services in such a way as to ensure the required conditions laid down by the State Commander of National Emergency Operations for customer flow management, safe distancing and other essential conditions for public health safety, security, hygiene and provision with necessary personal protective equipment.

5. To establish that in the event where the State Commander of National Emergency Operations is unable to perform the functions of the commander of operations due to temporary incapacity for work, secondment or leave, the functions of the State Commander of National Emergency Operations shall be performed by the Acting Minister.

Acting Prime Minister
Minister for Energy
Acting Minister for the Economy and Innovation

Žygimantas Vaičiūnas

Minister for the Interior

Rita Tamašunienė
