Ministry of Health of The Republic of Lithuania

With the aim of ensuring the access of on-time, continuous help for people injured as a result of warfare and taking into consideration the readiness of the Republic of Lithuania to provide support, the Ministry of Health of Ukraine requests aid in the form of medical equipment, medical products and pharmaceuticals. In the first instance, we are in need of such materials: chlorinated remedies, peroxides, cricothyroidotomy kits, surgical kits, infusion pumps, fabrics for bandages fixation, skin adhesives, single-use surgical gowns, sterile gloves, surgical scalpels, sanitary stretchers, ALV apparatuses, sterile bags for stopping hemorrhages, sterile bags for fracture fixation, sterile bags for burn treatment, tools for pneumothorax treatment, electric stoves. Regarding medications – Benzylpenicillinum, Ceftriaxonum, Doxycylinum, Gentamycynum, Glucosum, Natrii chloridum.

Doctors of such specialties as resuscitation, anesthesiology, traumatology, surgery are required as well.

Thank you in advance!

Sincerely,

**Deputy Minister for
European Integration**
